

SECOND CHARACTER

NOAH
(GENESIS 6 VS 9-22)
(GENESIS 7 VS 1-24)

Once upon a time, there was a man named Noah. God told him to build a big boat. He listened to God and built the boat Every day and night, Noah worked hard, trusting in God's plan. Although the people didn't believe him, Noah continued trusting what God had told him and kept on building.

Days turned into weeks, weeks became months....and many years passed by. But Noah kept on building exactly as God told him to. God said to Noah **“Go into the boat with your wife, your sons, and their wives. Take along with you male and female of every kind of bird and animal...”** vs 18-20. So when the rain eventually poured down and the flood came, Noah and his family stayed safe in the boat because they obeyed God.

Noah's boat would have swayed from left to right while the rain poured so heavily. There was screaming and crying everywhere as people tried to run for their lives, but their legs could not help them escape the flood.

God had given them so much time to change their ways by letting Noah build for many many years, but they refused. But Noah and his family remained safe in the boat that God had told him to build, because he obeyed and trusted God, even when he could not understand why.

HIS PROMISE; Just like Noah, when we learn to obey what God says, even in times we don't understand it, we can trust Him to take care of us too. And not only us but our loved ones will also be kept safe.
